PRELUDE

The year 2016 witnessed a major breakthrough, when three among the proposed 20 Indian Institute of Information Technology, (IIITs) started off their operations. Indian Institute of Information Technology, Nagpur (IIITN) has emerged as one of the premier institution to address the challenges faced by the Indian IT industry and growth of the domestic IT market.

The institute has started contributing to cutting-edge research in various disciplines of science and engineering. Further, the institute has also started contributing in various social and cultural activities, making it one of the best places for education and overall personality development. This "Annual Report 2019-20" gives a detailed overview of the operations of various building blocks of IIITN.

The dedicated administration, faculty and students are playing a major role in an attempt of making IIITN a word class academic Institution. IIITN is committed to the global competitiveness of research led education and is striving towards making it one of the top choices for higher education in India.

Director's Desk

Greetings...!!!!

All are aware that Indian Institute of Information Technology, Nagpur (IIITN) has started functioning in the Year 2016-17 and technically, is still in the establishment stage. The first batch of students is yet to pass out.

The first batch of the Institute shall be graduating in the Year 2020-21. I am particularly happy to inform all that the majority of the students have already been placed in Companies like Tata Consultancy Services, Tata Research Design Development Centre, L&T Infotech etc. The Placement Drive is still in progress and I am hopeful that the Institute shall record 100% placement for its 1st Batch. My hearty congratulations to this 1st Batch which will be keeping the IIIT, Nagpur flag flying high in the coming years.

I am also happy to inform all that a Student's Team of IIIT, Nagpur has excelled in the Smart Indian Hackathon 2019, wherein a total of 1,20,000+ students from 2235 Institutions had participated, by bagging the Winning Trophy and Prize Money of Rs. 1,00,000/- for their Project titled "Mobile based Low Cost Smart Irrigation Assistant for Guiding Irrigation Scheduling". My hearty congratulations to the Winning Team.

The Institute is fortunate to have Faculties who are not only competent in teaching but are also instrumental in implementing Research Projects for Science & Engineering Research Board (SERB) and programmes under DST-NIMAT, AICTE-ATAL etc.

I would like to assure all the students that IIITN understands the fast pace of changes occurring in the field of Information Technology. To cope up with the speed of changes, we undertake the review of Academic Curriculum on regular basis through the Board of Studies consisting of experts from and IITs/NITs & Industry Experts including inputs from the students. Fine tuning of course curriculum, introduction of new courses, modifications of course contents is being done regularly in accordance with the recommendations / suggestions provided by Board of Studies and approved by the Senate.

The Institute has already started implementing the Outcome Based Education (OBE) using pedagogies like Problem Based Learning, Cooperative Learning, Project Based Learning etc to ensure that its students are well equipped to meet future professional challenges.

In the Year 2019-20, considering the need to provide the Undergraduate Students of the Institute a competitive edge in career choices and to have access to new opportunities, the Institute had introduced German Languages Course as Extra Curricular Activity for the interested students of the Institute.

The Institute encourages the eligible candidates from IT & Allied Sector Industries to enroll for PhD in the Institute.

All are aware that the construction of the Permanent Campus at Village Waranga near Nagpur is in full swing. With completion of about 75% of the work and considering the current pace of operations, I am hopeful that we would be positively able to shift from the Makeshift Campus to our own campus shortly.

I take this opportunity to express my gratitude to all the stakeholders including Ministry of Human Resource Development, Government of India, Department of Higher Education, Government of Maharashtra, Tata Consultancy Services, Industry Partner and all the Students, Faculties and Employees who are wholeheartedly supporting in the pursuit to achieve Vision & Mission Objectives of the Institute.

Dr. Omprakash Gopal Kakde
Director

2. MENTOR INSTITUTE

Visvesvaraya National Institute of Technology Nagpur (VNIT) is the Mentor Institute for Indian Institute of Information Technology Nagpur (IIITN). VNIT is one of the thirty NITs which are also functioning as 'Institute of National Importance' under the provision of National Institute of Technology Act, 2007.

2.1 Mentor Institute Profile

Visvesvaraya National Institute of Technology, Nagpur is one of the thirty National Institutes of Technology in the country. The Govt. of India conferred on the Institute, the Deemed to be University status (under University Grants Commission Act, 1956 (3 of 1956)) with effect from 26th June 2002. Subsequently, the Central Govt. by Act of Parliament (National Institutes of Technology Act, 2007 (29 of 2007)) declared VNIT Nagpur as an Institute of National Importance along with all other NITs. The Act was brought into force from 15th August 2007.

Earlier, the Institute was known as Visvesvaraya Regional College of Engineering (VRCE). It was established in the year 1960 under the scheme sponsored by Govt. of India and Govt. of Maharashtra. The college was started in June 1960 by amalgamating the State Govt. Engineering College functioning at Nagpur since July 1956. In the meeting held in October 1962, the Governing Board of the College resolved to name it after the eminent engineer, planner, and statesman of the country Sir M.Visvesvaraya.

The prime objective of establishing Regional Engineering Colleges was to impart quality technical education throughout the country and foster national integration. The College started functioning in 1960 from camp office in the premises of Govt. Polytechnic, Sadar, and Nagpur and subsequently an area of about 214 acres was acquired to house an independent Regional Engineering College at present location.

3. PERMANENT CAMPUS

3.1 Overview

The Institute understands that besides promise of high standards of Academic Excellence, well-being of the students, faculties, staff & the qualities of physical environment are equally important factors in the Higher Education. The Institute, therefore, has targeted timely development of a Sustainable Green Campus near Waranga, Nagpur to provide a supportive and enriching environment to facilitate improvement in quality of learning & teaching.

8.2 Overview of ECE Department

The Department of Electronics & Communication Engineering at IIIT-Nagpur was established in 2016. The department offers B.Tech programs in Electronics & Communication Engineering with sanctioned intake of 90. The department was introduced PhD program in 2018, it also has PhD program under Visveswaraya Scheme (under MeitY) with sanctioned intake of 20 seats. The Department of Electronics & Communication Engineering is dedicated to innovation and research in inter-disciplinary areas. The department has its strength lying in the specialization of topics like Signal, Image and Video Processing, Biomedical Signal Processing, Antennas Design and Wireless Sensor Network providing consultancy, training, and industry collaboration. Department has a regular practice of organizing various events like STTP, FDP, AICTE sponsored workshop, Experts Lecture, etc. alongside research. The department is equipped with all the state-of-the-art laboratories with latest state-of-the-art curriculum that finds the applications in the industries. The department is equipped with proficient Faculties with PhD's from IIT/NIT and from renowned institutes across India.

8.3 Overview of Basic Sciences Department

Department of Basic Sciences at Indian Institute of Information Technology Nagpur was established in 2016. The department envisages becoming a state-of-the-art department with high quality education and cutting edge interdisciplinary research in both natural and social sciences. It acts as foundation for the entire core engineering branches and offers courses in Applied Sciences, Mathematics, Humanities, Environmental Studies, Basic Electrical and Mechanical Engineering. The department continuously put the valuable efforts to provide the students latest state-of-the-art curriculum. This unique course blends the best of contemporary basic Sciences and Engineering to create professionals who are equally comfortable with both science and technology. The department is always engage in carrying out cutting-edge research and development for the benefit of the society.

8.4 Ph.D. Offered with Intake Capacity

Ph.D. Program is offered in both engineering department including Visvesvaraya Ph.D. (Part time) Programme with intake capacity of 20 seats. Admission is given through institute advertisement. The PhD programme run has also scope for external industrial candidates. Candidates are selected through written test and interview conducted for the listed candidates at the respective departments. Candidate is required to undergo coursework as recommended by the department. Minimum duration for submission of thesis is 3/4 years for M.Tech and B.Tech respectively. In the year 2019-20, 14 students (CSE 08 and ECE-6), Academic Scholars = 7 and Industry Candidates = 7 were admitted in Ph.D. Programme.

Sr. No.	Courses	Academic year	Intake Capacity
1	PhD (Computer Science & Engineering)	2019-20	As per the available seats, as per the available number of Supervisor
2	PhD (Electronics & Communication Engineering)	2019-20	

8.5 Admission Procedure

Admissions will be through Central Seat Allocation Board (CSAB) by Joint Seat Allocation Authority (JOSAA), Government of India. In this year 2019-20, the centralized admission process coordinated by NIT, TRICHY through CSAB/JOSAA 2019.

9. CURRICULUM

IIIT Nagpur offers two B.Tech. Programs as follows:

1. Electronics & Communication Engineering.
2. Computer Science & Engineering

9.1 B.Tech Curriculum Overview of Electronics & Communication Engineering:

The curriculum of BTech programme comprises of core courses, department elective courses, basic science courses, open Electives Courses, seminar, experiments in laboratory, internship, projects etc. The programme offers sufficient flexibility so that the students can undertake various elective courses that provides exposure in various disciplines of ECE. The USP of curriculum is one semester mandatory Industrial Internship. The details of course type along with its credits is as given below

Type		Credits
Basic Science	(BS)	16
Engineering Science	(ES)	08
Humanities	(HU)	05
Open Courses	(OC)	09

9.5 RELATIVE GRADING

Relative grading system and its details in terms of examination and evaluation is as given below.

9.5.1. Examination and Evaluation

All UG programs run on semester basis. Students are required to register courses for every semester examination. Courses are categorized as core, elective open and humanities courses. Course evaluation mainly includes two Sessional tests, End-semester examination and any teacher's assessment. Course evaluation for laboratory courses is done on continuous basis through quizzes, assignments, seminars etc. Evaluation pattern is relative credit point based grading system on a ten-point scale and grades are awarded on assessment. There is no provision for improvement of grade by re-registering in the course. Students are required to re-register into course in which he/she obtain FF (fail grade) in the subsequent semester. Student performance is indicated by CGPA (Cumulative Grade Point Average) and is not awarded any division/percentage. Student is eligible for the award of degree after completion of various requirements set by the institute in terms of credits, CGPA, and type of courses completed.

9.5.2. Academic Rule Books (For UG & PhD)

Academic rule-book is made available to all the students and is also available on the website of the Institute. It can be accessed using following link. Academic Peer Review of each academic program is done with the help of faculty members of IIITs, NITs, IITs and members from industry. The suggestions received under this review programme are implemented through respective Board of Studies. The academic rule book is time to time update and approved by the Senate.

9.6 Students Achievements:

Students of IIIT Nagpur have always stood out in the crowd for their achievements. Students of the Institute have contributed to nation-building with their hard work, dedication and zeal to achieve the best. IIIT Nagpur students take on the unique challenges and perform equally well in the technical and social sectors. Some of the achievements of students are listed as below.

Student's Team of IIIT, Nagpur has excelled in the Smart Indian Hackathon 2019, wherein a total of 1,20,000+ students from 2235 Institutions had participated, by bagging the Winning Trophy and Prize Money of Rs. 1,00,000/- for their Project titled "Mobile based Low Cost Smart Irrigation Assistant for Guiding Irrigation Scheduling"

The Team "The Terrifying Nightmares" consist of Saurav Gajbhiye (Team Leader), Purva Goydani, Vedant Gannarpwar, Harshal Khandait, Pranav Rabade and Kaushik Yelne form **CSE & ECE won 1st Prize at Smart India Hackathon-2019, Agriculture Hardware Edition and prize money of Rs. 1 Lakh.**

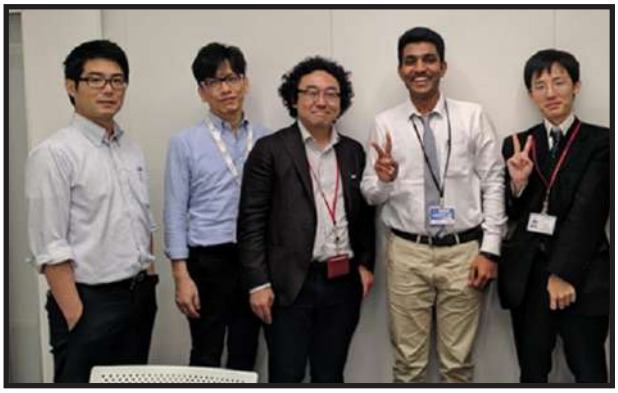

Students of IIIT Nagpur have completed six month internship at various reputed industry within country however many Students of IIIT Nagpur have also pursued internship out of Country like University of South Florida, Fujitsu Ltd, Japan, Ecole Centrale Supelec, Paris, etc.

Kartik W. Kinge (Final Year ECE) pursued internship at Fujitsu Ltd, Japan (2019)

Sahil S. Deshmukh (Final Year ECE) pursued internship at Ecole Centrale Supelec, Paris (2019)

Students of IIIT, Nagpur has not only excelled in academics but also in sports. Students from IIITN won gold medals in 4x100m race, silver medal in 400m race, silver medal in carrom Boys and Girls both, bronze medal in 200m race and bronze in basketball. Our team secured 4th position in this 4th inter IIIT sports meet with total of 25(Gold-4, Silver-8, Bronze-13) medals and 3 trophies.

10. FACULTY CONTRIBUTION

10.1 Faculty Achievements

Faculties at IIIT Nagpur are committed to teaching , however in addition to supervising students they are also very much research productive and contributing to various dimensions of academics and industry collaboration. Faculties have accomplishments in areas that have serious impact on student's knowledge gaining processes. Faculties have organized and also actively participated in seminars, lecture series, workshops like ATAL academy FDP, Entrepreneurship Awareness Camp etc. Faculties have also delivered number of expert's lectures at reputed institute within country as well as outside the country too. The primary objective behind all these faculty initiatives is to enrich the quintessential trade for academics and create capabilities to inform our students about knowledge necessary in today's world.

Dr. Charu Goel Invited as a Speaker, "Oberwolfach Foundation Fellow", and Participant at "Real Algebraic Geometry with a view toward Hyperbolic Programming & Free Probability", Mathematisches For schungsinstitut Oberwolfach, Germany

Smart Internal Hackathon was also successfully organized at IIIT Nagpur under the banner of Smart India Hackathon 2020 on January 15, 2020. 15 software and 7 hardware teams participated in the competition. Each team comprised of six students. Hence total of 132 students participated in this event.

SMART INTERNAL HACKATHON – 2020 at IIIT NAGPUR

Faculties at IIIT Nagpur also organized multiple AICTE sponsored workshop on "Artificial Intelligence and Machine Learning" as well as on "Internet of Things (IoT)".

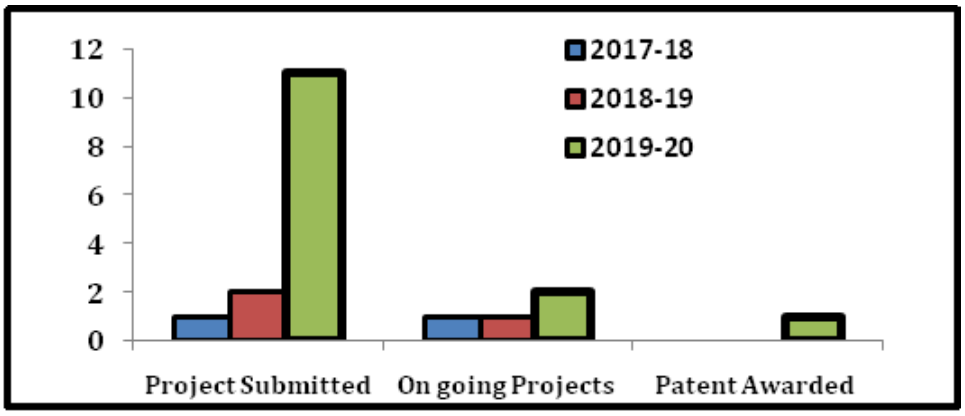

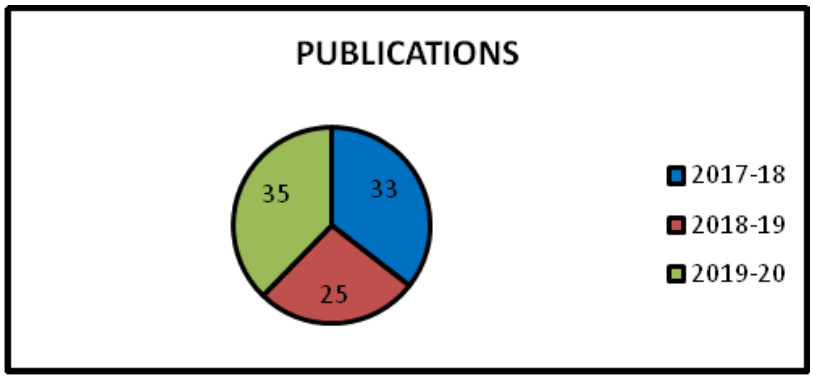

5-Days AICTE sponsored workshop was conducted at Indian Institute of Information Technology, Nagpur from December 16-20, 2019

10.2 Faculty Research and Development:

IIIT Nagpur has made concerted efforts to align its R&D focus with the national goal of achieving technological self-reliance. Faculty conduct research projects in thrust areas of science and engineering. The institute has ongoing academic and research collaborations with many national and international universities, governments and industries. Currently, the institute is running the ongoing projects funded by DST, SERB, and IIT Delhi.

The numbers of publications by faculty members of IIIT Nagpur are steadily increasing. Faculties have been published papers in reputed national and international journals and conferences.

14. SHORT TERM VISION

14.1 Five Year Vision Plan (2019-20 to 2023-24)

IIIT Nagpur wants to become a leading educational institute, with a notable NIRF ranking. The institute also wants to establish reputation in research and innovation for industrial and national needs. To achieve the goals, a set of Action Plan in various domains of activities is as follow.

a) Development of Permanent Campus:

The Institute understands that besides promise of high standards of Academic Excellence, well being of the students/faculties/staff & the quality of physical environment are equally important factors in the Higher Education. The Institute, therefore, has targeted timely development of a Sustainable Green Campus near Waranga, Nagpur to provide a supportive and enriching environment to facilitate improvement in quality of learning & teaching.

b) Enhanced and Fruitful Industry Interaction:

The Institute targets to develop strong links with the Industry to make teaching and research more relevant resulting into direct benefits to the Industry. Encouraging companies to have their campus presence through the idea of in-house IT PARK. The target is to develop extensive collaboration with the Industry on various fronts including Consultancy, Sponsored Research Projects, Students Internships and Joint Workshops/Seminars etc. Institute also targets to enhance CSR funding from industry in order to increase research and other activity at Institute.

c) Achievement of Self-Sustainability:

The Institute is in the fourth year of operation. The operational costs are rising and therefore the Institute needs to explore the various income options other than Government Grants to ascertain its future growth. The Institute shall target for development of alternate funding sources like Research Grants, Consultancy Income and shall also explore the possibility of leveraging “IIIT” Brand to generate financial support from the Industry.

d) Expansion and Diversification in Educational Offerings:

The Institute will target the gradual enhancement of the sanctioned intake of ongoing program as per the available facilities. Institute will also introduce new program in the field of Business Administration, Project Management, PG diploma and certificate course for special skill, etc. The Institute intends to start the M.Tech Programmes in Information Technology and Allied Fields. The focus shall be on offering the "M.Tech through Research" for the Industrially Sponsored Candidates. Further, the Institute shall explore the feasibility of starting new undergraduate program with specialization like gaming theory, Artificial Intelligence, block chain, green IoT, etc.

e) Development of robust Internal Support System:

The activities at the Institutes are expected to increase exponentially in the coming five years. To streamline all the activities with an objective of improved efficiency and transparency, the Institute intends to implement a comprehensive Enterprise Resource Planning (ERP) System. The ERP System shall be consisting of all the required modules right from Admission Management to Integrated Finance Management.

f) Admissions to International Students & Establishment of Students Exchange Programme:

The Institute targets for admission of International Undergraduate and Postgraduate Students to enrich the experience of all the national students as well as build Alumni Contacts in different Countries. The Institute shall explore the possibility of entering into Memorandum of Understandings (MOUs) with reputed Universities / Institutions of different Countries for establishment of Students Exchange Programme.

AFTER the success of two consecutive years of Abhivyakti, Indian Institute of Information and Technology (IIIT) at Nagpur is gearing up for a third such event. The much awaited cultural fest of this year which is organised on a national-level has already gathered a lot of popularity in the past two years.

The pre-event of Abhivyakti, Samarth, is being held on Saturday, February 16. It is a platform for students who are physically-challenged to showcase

The chief guest of the event is Ashok Munne, a well established mountaineer, expert paraglider and scuba diver, marathon runner and skilled gymnast. He also climbed the Everest in 2016.

Popularly known as 'The Tabla Guy', Nikhil Paralikar, a composer, performer and percussionist is the centre of attraction of Abhivyakti on February 23.

The other competitions including Kavyanjali-a poetry contest; singing competition - Antara; The Beat is the dancing competition, which has both solo and group performances; Craftix, which includes painting, photography and face painting competitions;

petition of Abhivyakti; Talkmasters is the oratory competition; competition of Abhivyakti, Prashnabaan; Vyaktitva, translating to personality is the overall personality competition of Abhivyakti.

This will test the student's persona as a whole- on how they speak, present themselves before an audience.

Questions will be posed and the results will be decided based on all the above mentioned factors.

The newest addition to the Abhivyakti family is Got Talent. This is a wide genre of talent display. This includes showcase of dancing, singing, actors,

IIIT-Nagpur students provide joy to specially-abled children

Principal Correspondent

"TALENT is not taught but awakened through practice!" with this spirit and enthusiasm, Indian Institute of Information Technology (IIIT), Nagpur, had conducted 'SAMARTH', a platform to honour the talent of the specially-abled, as a pre-event of its national-level cultural fest, Abhivyakti 2019 wherein special prodigious children exhibited their spellbound talent. It left everyone oblivious about their disabilities, and evoking everyone about their inability to have recognised their marvelous work.

The event began in full swing with the address of Dean Dr Ashwin Kothari, after which a motivational video of the story of Ashok Munne was shown. Ashok Munne, the chief guest of the event, is a mountaineer, motto rider, para glider, scuba diver, marathon runner, black belt in martial arts, gymnast, yoga expert, ace swimmer being an amputee. Students were motivated to achieve their goals and work hard towards them.

The first performer of the day was Rohan Boinwar from Jeevoday Special school who mesmerised the audience with his voice delivering a song followed by Devyani Shendre from May Flower School who left the students awestruck with her scintillating dance performance. A group performance was held by Aansha Mun, Pooja Bhalavi, Anushka Bansod, Sakshit Jethe from Gyanjyoti Andh Vidyalaya with musical instruments played by Kishor Choudhari and Mukesh Ingale in absolute harmony and synchronization. The final performance was an extremely entertaining one by students of Jeevoday Special School, Aniket Kshirsagar, Aniket Kamble, Anshul Shende, Aman Patle, Devashish Madavi. There was also a heart touching poem delivered by Aman Soni, student of IIIT Nagpur.

The event also had felicitation of the students with a token of love and appreciation. Kirti Dorshetwar, in-charge of Student Affair Council proposed a vote of thanks. Director of IIIT-Nagpur Prof O G Kakde; Ashwin Kothari, Registrar Kailas Dhakale; faculty in-charges Dr Tapan Kumar Jain and Kirti Dorsetwar, the entire staff and Team Abhivyakti worked hard to make the event successful.

'Students must acquire soft skills to become employable'

■ IIIT-N holds Abhivyakti 2019

■ Staff Reporter

PRAISING the cultural bonanza organised by Indian Institute of Information Technology (IIIT) at Nagpur wherein large number of colleges in city participated. Pankaj Dhakate, Chief Signalling Expert at Nagpur Metro said, "Students must have allround development if they want to win global competition. They should acquire soft skills to become employable."

Most awaited cultural fest of IIIT Nagpur, 'Abhivyakti', conducted recently where Dhakate was chief guest.

The event witnessed a huge participation with over forty percent of them from other colleges. Main event started off with full swing with the debate contest- 'The Big Roar', in which participants had to express their views for or against 'India should declare war against Pakistan'.

It was the followed by the singing competition- Antara which included melodious tunes sang by the students of IIIT and other colleges.

Quiz contest, Prashnabaan and the dance competition, 'To The Beat', were conducted simultaneously. Students grooved to the moves of the participants. 'Kavyanjali', the poetry contest was conducted.

The *Tabla* Guy - Nikhil Paralikar mesmerized the entire audience and won their hearts by packing an energetic, heart-pounding performance in the evening. *Tabla* guy has been playing tabla since five years and has given mesmerizing performances in many cities across the globe.

Talk Master - the oratory competition, in which the participants were encouraged to express their opinions on their respective topics, the personality contest - *Vyaktitva*, tested the overall temperament of the students in four rounds - introduction, perspective, ramp walk and rapid fire. Photos and paintings of the students were exhibited in the art competition- Craftix.

Newest addition to the *Abhivyakti* family was *Abhivyakti's Got Talent*. This encouraged the participants to show their respective talents in all the possible genres, varying from stand-up comedy to magic.

Valedictory ceremony included prizes distribution and conclusion of the event.

Chief guest of the function was Dr Pramod Padole - Director of Visvesvaraya National Institute of Technology (VNIT), guest of honour Latesh Agrawal- CEO of Automation Control; Dr O G Kakde, Director, IIIT-N; Dr Ashwin Kothari, Dean; Faculty incharges – Dr Kirti Dorshetwar and Dr Tapan Kumar Jain.

Dr Padole appreciated the talents of IIIT Nagpur and team Abhivyakti for a successful event participants and winners were from various colleges including VNIT, Shri Ramdeobaba College of Engineering and Management (RCOEM), Hislop, GH Raisoni and many more.

Students witnessed a spectacular performance by Rushabh Jain and his band Maktuv who performed many songs and made the audience dance to their tunes. The hype was kept up by the students and the staff of IIIT Nagpur.

SCHEDULE: 23 SIGNIFICANT ACCOUNTING POLICIES

1. BASIS FOR PREPARATION OF ACCOUNTS : The accounts are prepared under the Historical Cost Convention unless otherwise stated and generally on the Accrual method of accounting.

2. REVENUE RECOGNITION

2.1 Fees from Students (except Tuition Fees), Sale of Admission Forms and Interest on Savings Bank account are accounted on cash basis. Tuition Fees collected separately for each semester is accounted on accrual basis.

2.2 Income from Land, Buildings and Other Property and Interest on Investments are accounted on accrual basis.

3. FIXED ASSETS AND DEPRECIATION

3.1 Fixed assets are stated at cost of acquisition including inward freight, duties and taxes and incidental and direct expenses related to acquisition, installation and commissioning.

3.2 Gifted / Donated assets are valued at the nominal value. They are set-up by credit to Capital Fund and merged with the Fixed Assets of the Institution. Depreciation is charged at the rates applicable to the respective assets.

3.3 Books received as gifts, are valued at selling prices printed on the books. Where they are not printed, the value is based on assessment.

3.4 Fixed assets are valued at cost less accumulated depreciation. Depreciation on fixed assets is provided on Straight line method, at the following rates:

Tangible Assets:

1.	Land	0.00%
2.	Site Development	0.00%
3.	Buildings	2.00%
4.	Roads & Bridges	2.00%

5.	Tube wells & Water Supply	2.00%
6.	Sewerage & Drainage	2.00%
7.	Electrical Installation and equipment	5.00%
8.	Plant & Machinery	5.00%
9.	Scientific & Laboratory Equipment	8.00%
10.	Office Equipment	7.50%
11.	Audio Visual Equipment	7.50%
12.	Computers & Peripherals	20.00%
13.	Furniture, Fixtures & Fittings	7.50%
14.	Vehicles	10.00%
15.	Lib. Books & Scientific Journals	10.00%

Intangible Assets (amortization):

1.	E-Journals	40.00%
2.	Computer Software	40.00%
3.	Patents and Copyrights	9-Years

3.5 Depreciation is provided for the whole year on additions during the year.

3.6 Where an asset is fully depreciated, it will be carried at a residual value of Re.1 in the Balance Sheet and will not be further depreciated. Thereafter, depreciation is calculated on the additions of each year separately at the rate of depreciation applicable for that asset head.

3.7 Assets created out of Earmarked Funds and funds of Sponsored Projects, where the ownership of such assets vests in the Institution, are setup by credit to Capital Fund and merged with the Fixed Assets of the Institution. Depreciation is charged at the rates applicable to the respective assets. Assets created out of Sponsored Project funds, where the ownership is retained by the sponsors but held and used by the Institution arc separately disclosed in the Notes on Accounts.

3.8 Assets, the individual value of each of which is Rs. 2000 or less (except Library Books) are treated as Small Value Assets, 100% depreciation is provided in respect of such assets at the time of their acquisition. However physical accounting and control are continued by the holders of such assets.

4 Intangible Assets: Patents and copy rights, E Journals and Computer Software are grouped under Intangible Assets.

4.1 Expenditure on acquisition of software has been separated from computers and peripherals, as apart from being intangible assets, the rate of obsolescence in respect of these is very high. Depreciation is provided in respect of software at a higher rate of 40% as against depreciation of 20% provided in respect of Computers & Peripherals.

5. STOCKS:

Expenditure on purchase of chemicals, glassware, publications and other stores is accounted as revenue expenditure, except that the value of closing stocks held on 3 I" March is set up as inventories by reducing the corresponding Revenue Expenditure on the basis of information obtained from Departments. They are valued at cost.

6. INVESTMENTS

a. Long term investments are carried at their cost or face value whichever is lower. However any permanent diminution in their value as on the date of the Balance Sheet is provided for.

b. Short Term investments are carried at their cost or market value (if quoted) whichever is lower.

8. GOVERNMENT AND UGC GRANTS

8.1 Government Grants and UGC grants are accounted on realization basis. However, where a sanction for release of grant pertaining to the financial year is received before 31 " March and the grant is actually received in the next financial year, the grant is accounted on accrual basis and an equal amount is shown as recoverable from the Grantor.

8.2 To the extent utilized towards capital expenditure, (on accrual basis) government grants and grants from UGC are transferred to the Capital Fund.

8.3 Government and UGC grants for meeting Revenue Expenditure (on accrual basis) are treated, to the extent utilized, as income of the year in which they are realized.

8.4 Unutilized grants (including advances paid out of such grants) are carried forward and exhibited as a liability in the Balance Sheet.

9. SPONSORED PROJECTS

9.1 In respect of ongoing Sponsored Projects, the amounts received from sponsors are credited to the head "Current Liabilities and Provisions -Current Liabilities -Other Liabilities -Receipts against ongoing sponsored projects." As and when expenditure is incurred /advances are paid against such projects, or the concerned project account is debited with allocated overhead charges, the liability account is debited.

9.2 In addition to the Earmarked Fund for the Junior Research Fellowships funded by the University Grants Commission, Fellowships and Scholarships are also sponsored by various organizations. These are accounted in the same way as Sponsored Projects except that the expenditure generally is only on disbursement of Fellowships and Scholarships, which may include allowances for contingent expenditure by the Fellows and scholars.

10. INCOME TAX

The income of the Institution is exempt from Income Tax under Section 10(23c) of the Income Tax Act. No provision for tax is therefore made in the accounts.

SCHEDULE: 24
