VISION

To advance new knowledge and innovation in Information Technology and allied fields to power the nation to forefront in the global context.

MISSION

The Mission of IIITN is to develop competent and capable youth imbued with spirit of innovation and entrepreneurship with the social and environmental orientation to meet the knowledge needs of the country and provide global leadership in Information technology and allied fields.

Prelude

The year 2016 witnessed a major breakthrough, when three among the proposed 20 Indian Institutes of Information Technology (IIITs) started off their operations. Indian Institute of Information Technology, Nagpur (IIITN) has emerged as one of the premier institution to address the challenges faced by the Indian IT industry and growth of the domestic IT market.

The institute has started contributing to cutting-edge research in various disciplines of science and engineering. Further, the institute has also started contributing in various social and cultural activities, making it one of the best places for education and overall personality development. This "Annual Report 2018-19" gives a detailed overview of the operations of various building blocks of IIITN.

The dedicated administration, faculty and students are playing a major role in an attempt of making IIITN a world-class academic institution. IIITN is committed to the global competitiveness of research-led education and is striving towards making it one of the top choices for higher education in India.

Director's Desk

Greetings...!!!!

Indian Institute of Information Technology, Nagpur (IIITN) was in the 3rd year of its operations during the Financial Year 2018-19. The first batch of IIITN, which was admitted in year 2016-17, is yet to pass out. Thus, we can say that the Institute is still in an establishment stage.

However, in spite of the various issues associated with space constraints and availability of limited infrastructure in the Makeshift Campus at BSNL RTTC located in Seminary Hills, the Institute has achieved many milestones during the year 2018-19.

For instance, the Institute could successfully start the construction activities at its Permanent Campus Site at Waranga, Nagpur. The construction work is in full swing and it is expected that the Institute would be able to shift in the new campus in Next Year i.e. 2020. Also, the Institute started the Ph.D Programme wherein fourteen candidates have been enrolled out of which seven are from Industry. Further, the Institute has appointed eight regular faculties on its role and initiated the recruitment process for induction of another seventeen regular faculties.

With the current student strength of 359 students, the Institute celebrated the various educational and cultural events during the year with full zest.

We understand that there is a long way to go and a lot needs to be done to achieve the objectives set forth under Sec. 6 of the Indian Institute of Information Technology (Public-Private Partnership) Act, 2017. But this is just a beginning and we sincerely hope that with the active cooperation & support of our all stakeholders along with the Students, Faculties and Employees, IIITN would be able to fulfill its Vision and Mission within a short span of time.

Dr. Omprakash Gopal Kakde

Director

3.5 Examination & Evaluation

All UG programs run on semester basis. Students are required to register courses for every semester examination. Courses are categorized as core, elective open and humanities courses. Course evaluation mainly includes two Sessional tests, End-semester examination and any other assessment. Course evaluation for laboratory courses is done on continuous basis through quizzes, assignments, seminars etc. Evaluation pattern is relative credit point based grading system on a ten-point scale and grades are awarded on assessment. There is no provision for improvement of grade by re-registering in the course. Students are required to re-register into course in which he/she obtain FF (fail grade) in the subsequent semester. Student performance is indicated by CGPA (Cumulative Grade Point Average) and is not awarded any division/percentage. Student is eligible for the award of degree after completion of various requirements set by the institute in terms of credits, CGPA, and type of courses completed.

Academic rule-book is made available to all the students and is available on the website of the institute. Academic Peer Review of each academic program is being done with the help of faculty members of IIITs, NITs, IITs and members from industry. The suggestions received under this review programme are implemented through respective Board of studies.

4. PHYSICAL EDUCATION AND SPORTS

4.1 Physical Education & Sports

Research indicates that regular physical education, included in curriculum, produces physical, psychological and intellectual benefits. Physical education may help prevent degenerative disease improve overall physical condition maintain emotional balance, promote a sense of social effectiveness, contribute to academic performance and establish positive recreation habits. Therefore, physical education must be supported as an integral part of comprehensive education.

Sports and games are essential components of Human Resource Development, holding to promote good health, comradeship and spirit of healthy competition, which in turn, has positive and deep impact on the holistic development of the personality of the youth who is a potential source of energy, enthusiasm and inspiration for development, progress and prosperity of the Nation.

Further, excellence in sports enhances the sense of achievements, national price and patriotism. Sports being practical way of education facilitate beneficial recreation, improve productivity, foster social harmony inculcating sense of discipline and dedication in general life. Sports give a strong message of peace, friendship and understanding among the people of participants. Today, sports are prime need in a civilized society, as it helps to promote nation integration, emotional integrity and professional intellect among the participants.

According to UNESCO General Conference (1978) Article 1; which advocates that practice of physical education and sport is a fundamental right for all:

1.1 Every human being has a fundamental right of access to physical education and sport, which are essential for the full development of his personality. The freedom to develop physical, intellectual and moral powers through physical education and sports must be guaranteed both within the education system and in other aspects of social life.

1.2 Everyone must have full opportunities, in accordance with his national tradition of sport, for practicing physical education and developing his physical fitness and attaining a level of achievement in sport which corresponds to his gifts.

The Article 2; further endorse that physical education and sports forms an essential element of lifelong education in the overall education system:

2.1 Physical education sport, as a practice of sports must be ensured throughout life by means of a global, lifelong and democratized education.

2.2 At the individual level, physical education and sport contribute to the essential dimension of education and culture, must develop the abilities, will-power and self-discipline of every human beings as a fully integrated member of society. The continuity of physical activity and the maintenance and improvement of health, provide a wholesome leisure-time occupation and enable man to overcome the drawbacks of modern living. At the community level, they enrich social relations and develop fair play, which is essential not only to sport itself but also to life in society.

2.3 Every overall education system must assign the requisite place and importance to physical education and sport in order to establish a balance and strengthen links between physical activities and other components of education.

National institutions play a major role in physical education and sport

It is essential that public authorities at all the levels and specialized non-governmental bodies encourage those physical education and sport activities whose educational value is most evident. Their action shall consist enforcing legislation and regulations, providing material assistance and adopting all other measures of encouragement, stimulation and control. The public authorities will also ensure that such fiscal measures are adopted as may encourage these activities.

It is incumbent on all institution s responsible for physical education and sport to promote a consistent, overall and decentralized plan of action in the framework of lifelong education so as to allow for continuity and co-ordination between compulsory physical activities and those practiced freely and spontaneously.

Thus in tune with above ideology, the faculties of physical education at this institute exploit all the possible dimensions of physical education and sports through the variety of activities in our institute:

- Physical education is an audit course at the institute and they are taught sports sills, strategic preparation, and tactical preparation faculties of physical education work to increase the physical fitness of first year students more than 100 numbers through various physical fitness programs. Apart from this teaching on play fields, they are also taught physiological, psychological, sociological and emotional aspects associated with sports and physical activities through talks and seminars.
- Health club facilities are also provided to the students where they practice various health related gymnasium activities in the allotted morning and evening hours under the guidance of a trained coach.
- Coaching facilities are also made available to the students selected by conducting the selection trials of various games. Specialized coach is appointed to trained the students going to participate in various inter-IIIT tournaments.
- Another attractive sporting activity is the Institute Gathering which is organized every year by the students under supervision of the physical education section. This is an event, where various inter-departmental sports activities are conducted with overwhelming response, where the participants are students, teaching and non-teaching staff.

Important event as per MHRD guidelines:

According to **MHRD** directives, our Institute celebrated the International yoga day on 21st June 2018. To strengthen the holistic approach to health and well-being and wider dissemination of information about the benefits of practising yoga, our Institute also celebrated the international yoga day at our institute's newly built yoga hall in the sports complex on 21st June 2018. A team of yoga experts demonstrated various asana, simultaneously all the participants also performed the asanas.
Details of extracurricular activities and other event as per **MHRD** guidelines has been describe in section 13.

4.2 Visit of Committees:

Director's committee visit:

A team of experts, Director, I/c Registrar, Associate Dean inspected the sports facilities and gym on 26th January 2018 all appreciated with existing facilities.

4.3 Participation of students in different games

The institute encourages the students by exposing them to various Inter IIIT tournaments and also in local inter-collegiate tournaments. All the selected students are motivated by providing them with track suits and playing kits.

Participation in All India Inter IIIT Tournaments:

Through All India Inter IIIT tournament a student can exhibit his/her talent amidst students of all the other IIITs in India. This year total 58 students 50 (M) 8 (W) participated in various All India IIIT Tournaments organized by IIIT Allahabad. The students from IIITN also bagged medals. Abhishek Sunda won 2 Silver and 1 bronze in Athletics race event. Divyesh Saglani won 1 silver and 1 bronze in Swimming. Aishit Dua won Bronze in power lifting. All India Inter IIIT tournaments organized at IIIT Allahabad during the year 2018-19.

11.1 General information about the Library:

Central Library is an area of about 600 sq. feet approximately. It contains a Reading Hall wherein 50 readers can be accommodated at a time, with one stack room and having a collection of about 1804 (books & CDs). The net cost of books is Rs. 11,04,075 Lakhs.

11.2 Library Resources:

- The Library has a rich collection of books in the field of Electronics and Communication Engineering, Computer Science Engineering, Basic Sciences including Mathematics, Physics, Mechanics and Graphics, Electrical Engineering, Environmental Sciences and also in the field of Humanities and Social Science including English and Economics.
- The Library subscribes 3 Newspapers (Hindi, English and Marathi).
- The library has access to two e-resources: World e-Book Library and South Asia Archive.
- The Library also has a good collection including text books, reference books and magazines for various competitive exams such as GATE etc.

14. EXTRACURRICULAR ACTIVITIES AND EVENT AS PER MHRD GUIDELINE

India's Independence Day is celebrated throughout India on 15th August every year by all proud Indians. IIIT Nagpur also celebrated India's 73rdIndependence Day with great enthusiasm at the IIIT campus, BSNL Regional Telecom Training Centre (RTTC), Seminary Hills, Nagpur.

The ceremony started at 9:15 AM at the Institute in the esteemed presence of Dr. O.G. Kakde (Director), Dr. Ashwin Kothari (Dean), Mr. Kailas N. Dakhale (I/c Registrar), all faculty members, administrative staffs, non-academic staffs and students. The anchor welcomed the director and all other dignitaries and introduced the gathering. Dr. O. G. Kakde was given the Guard of Honour.

At 9:30 A.M, Dr. O. G. Kakde unfurled the Tricolor flag and all in unison sang the national anthem and expressed the joy of celebrating Independence Day. Whole program was anchored by Abhijeet Gupta (student CSE branch 1st year). After the flag hosting, Dean shared his views on this occasion. He talked about the significance of the day and the progress of India in the field of Sports, Science etc. Later, Dr. O. G. Kakde expressed his views and addressed all the faculty members, staff members and students. The director highlighted the academic and infrastructural progress of IIIT Nagpur.He also encouraged the students for innovative thinking. All the students showed their support to this event.

The program was coordinated by Dr. Tapan Jain and Dr. Kirti Dorshetwar, Student Affair Faculty In-charge. Overall ground decoration and management was handled by Mr. SunilDhole, Sports and Yoga Instructor. The Program concluded with the vote of thanks.

"Let new India arise out of peasants' cottage, grasping the plough, out of huts, cobbler and sweeper. Let us enjoy this wonderful day full of enthusiasm with wishing you Happy Independence Day!"

Guru Samman Divas 2018

IIIT Nagpur celebrated Teachers' Day on the 5th of September, 2018 with much grandeur. Students expressed their gratitude and appreciation for their teachers. This day is dedicated to Dr. Sarvepalli Radhakrishnan – the second President of India. The great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

The whole function was planned by the Student Activity Coordinators along with the faculty coordinators,

Dr. Tapan Kumar Jain and Dr. Jitendra Mishra. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. As per the Indian culture, we always start our work with prayer. We conducted a program in the seminar hall where around 200 students gathered to celebrate the day.

Students gave speeches and recited beautiful poems signifying the importance and efforts of teachers in our life. Students prepared handmade gifts and thanked all the teachers by presenting gifts as token of love and respect. The program concluded with the speech of Director Dr. O. G. Kakde in which he elaborated how teachers have changed and most importantly, shaped the lives of students and how teachers learn a thing or two themselves from their students.

Institute Gathering 2019

Academics is important, but along with it, it is also important how you manage yourself in an environment where everyone is capable of doing something exceptional. Also, important emphasis should be given to teamwork and leadership opportunities and on how to tackle tricky situations when you have almost no time and come out victorious from those. It is also important on how to coordinate with people on work and mingle amongst newbies outside the work to leverage out all opportunities for development.

To inculcate these stuffs among students, IIIT Nagpur conducted an Institute Gathering on 19th and 20th of January which had various sports events in this. And what is a better opportunity than learning all these stuffs on filed! Institute Gathering, a 2-day event, conducted a competition amongst branches of IIIT Nagpur viz CSE and ECE. The best sportspersons from all the years are chosen to represent their branch in IG and they play out their heart to win this competition. Various sports event like badminton, chess, carrom, volleyball, basketball and son were conducted. Students had to prepare and make strategies to win the games which resulted in both physical and mental development of the students. All those who could not take direct participation int the sports events, supported their branch from out with overwhelming cheering. Eventually, CSE branch won the overall competition this year with complete team efforts from both participating and non-participating students thus making students learn new things and mingle amongst the newer batch for better communication among students.

In all the events, we witnessed a tough competition between all the students. Irrespective of the final result, students enjoyed the event a lot, especially, motivation their peers to increase their morale to win and supporting them even if they lost. With regards to participants, they showed true sportsmanship and learnt a lot of things like team-management, strategy planning and the fact that –

"It is not that you win always, you may sometimes lose, but you have to believe in yourself and convert your loss into win by working harder".

Republic Day

"Patriotism is not something that you get from outside. It is an inner feeling of being devoted to your country in any possible way."

IIIT Nagpur, following the same ideology, celebrated **Republic Day** on 26th of January 2019, a way of expression of thanks to all those leaders who contributed in making India the biggest Republic in the World. It all started off with hoisting the flag, paying tribute to the nation and the leaders, then a speech elaborating importance of republic and thanking all leaders, which was followed by a patriotic song by students to express their feeling though music. It ended with the felicitation of winners of IG by giving away medals to sportspersons who played extremely well in his/her sport and finally giving away the trophy to winning branch, i.e. CSE.

Martyr's Day

Martyrs' Day is an annual day observed by our nation to salute the martyrdom of soldiers who lost their lives defending the sovereignty of the nation. Director, I/c Dean, I/c Registrar, faculties, staff members and all the students gathered at the volleyball and observed a silence to pay respect and condolences to our soldiers.

Unity Day

Rashtriya Ekta Diwas (National Unity Day) was introduced by the Government of India and inaugurated by Indian Prime Minister Narendra Modi in 2014. The intent is to pay tribute to Vallabhbhai Patel, who was instrumental in keeping India united. It is to be celebrated on 31 October every year as an annual commemoration of the birthday of the Iron Man of India Sardar Vallabhbhai Patel, one of the founding leaders of Republic of India.

The official statement for Rashtriya Ekta Diwas by the Home Ministry of India cites that the National Unity Day ***"will provide an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country."***

We all gathered and took the oath to re-affirm the inherent strength and resilience of our nation and to preserve unity, integrity and security of our country.

INTERNATIONAL WOMEN'S DAY

International Women's Day

A balanced world is a better world. IIIT Nagpur celebrated International Women's Day on the 8th of March, 2019 to forge a more gender-balanced world, to celebrate women's achievements and to celebrate equality. We were honoured to have with us three incredibly successful and down to earth women, each master in their respective fields, deliver talks and raise awareness regarding today's world.

We had a very thought-provoking session on the topic "Violence against Women" by Mrs. Aparna Campbell, an active social worker and the general secretary of YMCA, Nagpur. We also had with us, Dr. Rashmi Uddanwadikar, Associate Professor, Dept. of Mechanical Engineering, VNIT Nagpur who delivered a talk on "Research for Women Empowerment". Further we were all encouraged by the motivating words of Mrs. Pallavi Pramod Padole, Deputy Director Adoption Services, VARADAAN. We were also delighted to have Mrs. Rowena Phillips, our visiting psychologist with us, who enlightened us all with her beautiful speech. Our dean, Dr. Ashwin Kothari presented his thoughts for the occasion for women empowerment.

HUMAN VALUES- CLASS ACTIVITY

Two field activities were organized this academic semester (Jan – May, 2019) as per the Human Values course by the corresponding faculty Dr. Gopi Nimbarte. This planned visit was to enrich the students and to take
learning beyond the four walls of the classroom. The first outing was organized on 12th February to the Archeological Survey of India located in Seminary hills, Nagpur. The students witnessed archeological, anthropological and many other sections which comprised of coins, manuscripts, paintings, old household tools and many other items of historic importance. The entire museum presented a miniature India of different periods of time. It displayed the whole gamut of India's life and literature and enriched the knowledge and learning of students.

The second activity was planting of tree saplings conducted on 1st of April. It was termed April "cool's" day. This activity was a Human Values outdoor activity conducted around and outside the college campus. The main objective of this initiative was to plant tree saplings and does the needful in the aspect of deforestation and pollution. Many saplings were bought from the nursery and were planted. It was fun filled activity with an experience to remember.

Other MHRD Events

Being an institute of National Importance, Indian Institute of Information Technology Nagpur actively takes part in all possible the national level activities that are put forward by the Ministry of Human Resource Development (MHRD). Some of such activities in which IIIT Nagpur Actively took part are mentioned below: -

Observation of Swachhata Pakhwada

Swachhata Pakhwada started in April 2016 with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhata by engaging GOI Ministries/Departments in their jurisdictions. An annual calendar is pre-circulated among the Ministries to help them plan for the Pakhwada activities.

Swachhata Hi Seva

To accelerate the efforts to achieve universal sanitation coverage and to put focus on sanitation, the Prime Minister of India, Shri Narendra Modi, launched the Swachh Bharat Mission on 2nd October, 2014. The Mission aims to achieve a Swachh Bharat by 2019, as a fitting tribute to Mahatma Gandhi on his 150th birth anniversary.
This mission involves improving the levels of cleanliness through Solid and Liquid Waste Management activities and making villages Open Defecation Free (ODF), clean and sanitized.

In order to reach out to maximum people in India, honorable Prime Minister, Shri. Narendra Modi called out to various organizations to spread knowledge about Swachh Bharat Abhiyan. He even cleaned the garbage himself in an appeal to citizens to keep India clean.

Vigilance Awareness Week

The Central Vigilance Commission (CVC) observes the Vigilance Awareness Week every year during the week in which the birthday of Sardar Vallabhbhai Patel (31st October) falls.

This week, through its various outreach activities, it seeks to motivate stakeholders to collectively participate in the fight against corruption and also aims at raising public awareness regarding the detrimental consequences of corruption. This year, the Vigilance Awareness Week is being observed from 29th October to 3rd November, 2018 on the theme **"Eradicate Corruption-Build a New India" (भ्रष्टाचार मिटाओ- नया भारत बनाओ)**

Pariksha Pe Charcha

It is that time of the year when many young friends amongst us will be appearing for examinations. During

last year's Pariksha Pe Charcha, Prime Minister Narendra Modi interacted with several students from across

the country and shared his personal experiences with the young audience. Students and faculties attend this event to enrich their knowledge on how to prepare and write exams.

Maun Diwas

30th January is the date observed at the national level. Its is the day when the father of the nation Mahatma Gandhi was assassinated by Nathuram Godse. To remember Mahatma Gandhi and all his teaching, we observe this day as Maun Diwas to remember him and his teachings.

SCHEDULE: 23 SIGNIFICANT ACCOUNTING POLICIES

1. BASIS FOR PREPARATION OF ACCOUNTS : The accounts are prepared under the Historical Cost Convention unless otherwise stated and generally on the Accrual method of accounting.

2. REVENUE RECOGNITION

2.1 Fees from Students (except Tuition Fees), Sale of Admission Forms and Interest on Savings Bank account are accounted on cash basis. Tuition Fees collected separately for each semester is accounted on accrual basis.

2.2 Income from Land, Buildings and Other Property and Interest on Investments are accounted on accrual basis.

3. FIXED ASSETS AND DEPRECIATION

3.1 Fixed assets are stated at cost of acquisition including inward freight, duties and taxes and incidental and direct expenses related to acquisition, installation and commissioning.

3.2 Gifted / Donated assets are valued at the nominal value. They are set-up by credit to Capital Fund and merged with the Fixed Assets of the Institution. Depreciation is charged at the rates applicable to the respective assets.

3.3 Books received as gifts, are valued at selling prices printed on the books. Where they are not printed, the value is based on assessment.

3.4 Fixed assets are valued at cost less accumulated depreciation. Depreciation on fixed assets is provided on Straight line method, at the following rates:

Tangible Assets:

1.	Land	0.00%
2.	Site Development	0.00%
3.	Buildings	2.00%
4.	Roads & Bridges	2.00%

5.	Tube wells & Water Supply	2.00%
6.	Sewerage & Drainage	2.00%
7.	Electrical Installation and equipment	5.00%
8.	Plant & Machinery	5.00%
9.	Scientific & Laboratory Equipment	8.00%
10.	Office Equipment	7.50%
11.	Audio Visual Equipment	7.50%
12.	Computers & Peripherals	20.00%
13.	Furniture, Fixtures & Fittings	7.50%
14.	Vehicles	10.00%
15.	Lib. Books & Scientific Journals	10.00%

Intangible Assets (amortization):

1.	E-Journals	40.00%
2.	Computer Software	40.00%
3.	Patents and Copyrights	9-Years

3.5 Depreciation is provided for the whole year on additions during the year.

3.6 Where an asset is fully depreciated, it will be carried at a residual value of Re.1 in the Balance Sheet and will not be further depreciated. Thereafter, depreciation is calculated on the additions of each year separately at the rate of depreciation applicable for that asset head.

3.7 Assets created out of Earmarked Funds and funds of Sponsored Projects, where the ownership of such assets vests in the Institution, are setup by credit to Capital Fund and merged with the Fixed Assets of the Institution. Depreciation is charged at the rates applicable to the respective assets. Assets created out of Sponsored Project funds, where the ownership is retained by the sponsors but held and used by the Institution arc separately disclosed in the Notes on Accounts.

3.8 Assets, the individual value of each of which is Rs. 2000 or less (except Library Books) are treated as Small Value Assets, 100% depreciation is provided in respect of such assets at the time of their acquisition. However physical accounting and control are continued by the holders of such assets.

4 Intangible Assets: Patents and copy rights, E Journals and Computer Software are grouped under Intangible Assets.

4.1 Expenditure on acquisition of software has been separated from computers and peripherals, as apart from being intangible assets, the rate of obsolescence in respect of these is very high. Depreciation is provided in respect of software at a higher rate of 40% as against depreciation of 20% provided in respect of Computers & Peripherals.

5. STOCKS:

Expenditure on purchase of chemicals, glassware, publications and other stores is accounted as revenue expenditure, except that the value of closing stocks held on 3 I" March is set up as inventories by reducing the corresponding Revenue Expenditure on the basis of information obtained from Departments. They are valued at cost.

6. INVESTMENTS

a. Long term investments are carried at their cost or face value whichever is lower. However any permanent diminution in their value as on the date of the Balance Sheet is provided for.

b. Short Term investments are carried at their cost or market value (if quoted) whichever is lower.

8. GOVERNMENT AND UGC GRANTS

8.1 Government Grants and UGC grants are accounted on realization basis. However, where a sanction for release of grant pertaining to the financial year is received before 31 " March and the grant is actually received in the next financial year, the grant is accounted on accrual basis and an equal amount is shown as recoverable from the Grantor.

8.2 To the extent utilized towards capital expenditure, (on accrual basis) government grants and grants from UGC are transferred to the Capital Fund.

8.3 Government and UGC grants for meeting Revenue Expenditure (on accrual basis) are treated, to the extent utilized, as income of the year in which they are realized.

8.4 Unutilized grants (including advances paid out of such grants) are carried forward and exhibited as a liability in the Balance Sheet.

9. SPONSORED PROJECTS

9.1 In respect of ongoing Sponsored Projects, the amounts received from sponsors are credited to the head "Current Liabilities and Provisions -Current Liabilities -Other Liabilities -Receipts against ongoing sponsored projects." As and when expenditure is incurred /advances are paid against such projects, or the concerned project account is debited with allocated overhead charges, the liability account is debited.

9.2 In addition to the Earmarked Fund for the Junior Research Fellowships funded by the University Grants Commission, Fellowships and Scholarships are also sponsored by various organizations. These are accounted in the same way as Sponsored Projects except that the expenditure generally is only on disbursement of Fellowships and Scholarships, which may include allowances for contingent expenditure by the Fellows and scholars.

10. INCOME TAX

The income of the Institution is exempt from Income Tax under Section 10(23c) of the Income Tax Act. No provision for tax is therefore made in the accounts.

SCHEDULE: 24

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Indian Institute of Information Technology, Nagpur for the year ended 31 March 2019.

We have audited the attached Balance Sheet of the Indian Institute of Information Technology, Nagpur ('the Institute') as at 31 March 2019, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 28(3) of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we

plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i. We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

ii. The Balance Sheet, the Income & Expenditure Account and the Receipts & Payments Account dealt with by this Report have been drawn up in the new format prescribed by the Ministry of Human Resource Development, Government of India vide Order No.29-4/2012-IFD dated 17 April 2015 .

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required under Section 28 of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 in so far as it appears from our examination of such books.

iv. We further report that:

A. General Comments

1. Contribution to Provident fund, Honorarium paid, security charges paid, Expenses on Postage and Stationery, Caution money collected, etc. are not shown distinctly in respective schedules.

2. As per format of accounts provisions for Retirement benefits viz. Pension, Gratuity, Leave encashment are to be made on actuarial basis in the Balance sheet. However, such Provision is not made in the Balance Sheet for the year ended 31 March 2019.

3. New Pension Scheme Fund belongs to the members of those funds and not to the organization. The accounts of the New Pension Scheme have to be separated from the accounts of the organization. Separate Receipts and Payments Account, Income and Expenditure Account and Balance Sheet are to be prepared at the end of the financial year. The status of New Pension Scheme should be disclosed in the organization's Notes to Accounts.

B. Grant-in-aid
