A. SCOPE OF WORK FOR SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF CT METER AT IIIT NAGPUR.

Sr No	Description / Specifications	Unit	Qty
1.	**3 Ph. 4 wire KWH meter 40-200A CT Embedded (MSEDCL Approved) Including cable, lugs nut bolts.**	**Nos**	**01**

B. GENERAL TERMS AND CONDITIONS: -

1. The contractor shall follow all applicable safety norms and electrical regulations during installation.
2. The contractor shall be solely responsible for obtaining approval of the CT Meter from the **Maharashtra State Electricity Distribution Company Limited (MSEDCL)** or concerned electricity distribution authority. All necessary coordination, documentation, inspection, and liaison work required for meter testing and sealing shall be carried out by the contractor at no additional cost to the Institute.
3. The contractor shall supply, install, test, and commission a CT Meter of MSEDCL approved make and specification at IIIT. The work must be completed as per the technical standards and requirements defined in the quotation.
4. Supply of the CT meter and associated components as well as installation testing and commissioning services with MSEDC test reports and Approvals.
5. The CT meter and associated equipment should come with the warranty period of at least 5 year from commissioning.
6. The supplier is expected to provide support for any defects or issues during the warranty period.
7. The entire work shall be carried out during the finishing stage of construction and must follow the designated cable trench route along the wall. If required, it shall be the contractor's responsibility to connect the outgoing cable using a bus-bar box/joint with kit, in accordance with the appropriate current rating. Additionally, the meter connection cable (Lupine cable) from the panel MCCB to the meter and outgoing line must match the required current rating and shall be of either aluminum or copper. If copper cable is used, a bi-metallic sheet must be provided.
8. Intending bidders are advised to inspect and examine the site and its surrounding and satisfy themselves before submitting their quotations.
9. The entire work shall be completed within **15 days** from the date of issue of Work Order.

10. **The contractor shall be responsible for the supply, installation, testing from MSEDCL and commissioning of the CT meter, including the use of appropriately rated cables, busbars (if required), and other necessary miscellaneous items. All work must be carried out with the prior approval of the Institute Engineer and shall be subject to inspection and clearance by the MSEDCL inspection team.**

13. The payment shall be released only after successful completion of the work & obtaining satisfactory report from the Competent Authority.

14. The time allowed for the work shall be strictly followed otherwise the Selected Bidder shall be liable to pay compensation at the rate of 0.5% of the quoted Price of the work per week of delay on the part of the Selected Bidder subject to a maximum of 10% of the total Contract Value.

15. Any amendment or corrigendum regarding this Quotation will be issued on the Institute website **www.iiitn.ac.in** only.
